As a lifelong resident of Santa Cruz County, I have held an interest in the makeup of our community and its uniqueness since I was a child. Growing up, I was fortunate to be raised in a family that viewed community service as something that everyone should take part in and appreciate. (In fact, three generations of my family have served on the Watsonville City Council.) From that upbringing, I pursued a degree in Political Science, with a minor in Urban Studies, from Loyola Marymount University in Los Angeles.

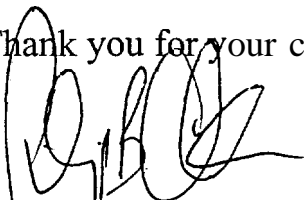

During my college years, I was appointed to an internship position with the City Administrative Officer of the City of Los Angeles, where I worked for two and a half years. While there, I was able to gain a firsthand view of how local government functions.

Upon my return to Watsonville, I became involved in the Watsonville High School Foundation, which promotes an appreciation for Watsonville High and stimulates community support. While with the Foundation, I have served as Vice President for three years and President for two.

Professionally, I have been working with Old Republic Title Company since 1992 in a number of different positions. In that time, I have been able to see the makeup of Santa Cruz County grow and change for what I think is the better.

With my background, I feel I would be an asset to the Planning Commission, and I look forward to the challenges that serving on such a committee would provide.

Thank you for your consideration,

Philip B. Clark
