Dear Members of the Board,

### Background:

On June 15, 1999, a report was made on various housing issues, including a review of financial problems associated with housing subsidies. A report back for September 21, 1999, was requested at that time. The report is now being prepared and will include an analysis of funding and legislative changes resulting from the just-concluded legislative session.

The report will be rescheduled to October 19" to include final legislative actions.

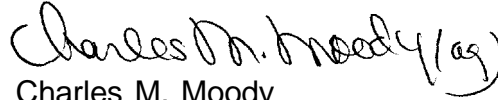

### Recommendation:

It is therefore RECOMMENDED that your Board:

54

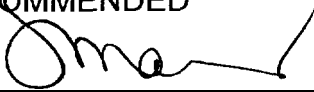

1. Defer the Health Services Agency report on housing issues to the Board meeting of October 19, 1999.

Respectfully submitted,

Charles M. Moody  
Health Services Agency Administrator
