### AGENDA: SEPTEMBER 21, 1999

September 9, 1999

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street  
Santa Cruz, California 95060

SUBJECT: MOUNT HERMON ROAD AND BEAR CREEK ROAD SEISMIC RETROFIT  
PROJECT - AMENDMENT TO AGREEMENT

Members of the Board:

On June 22, 1999, the Board of Supervisors authorized the Director of Public Works to negotiate and sign a contract with an independent consultant for construction management services for the Conference Drive Bridge Seismic Retrofit Project. A contract has been executed with URS Greiner Woodward-Clyde to provide the needed construction management services.

Construction has now started on the Mount Hermon Road and Bear Creek Road Seismic Retrofit Project and Public Works would like to utilize URS Greiner Woodward-Clyde for this project as well. They have submitted a cost estimate for these additional services. The additional cost for the Mount Hermon Road and Bear Creek Road project is fully reimbursable by the California Department of Transportation.

A contract amendment to change the Scope of Work by adding construction management services for the Mount Hermon Road and Bear Creek Road Seismic Retrofit Project is attached for your approval. The consultant has staff available to assign to the project upon approval of the amendment.

It is therefore recommended that the Board of Supervisors take the following action:

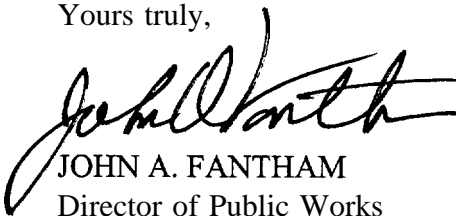

1. Approve the attached Amendment to Agreement for construction management services with URS Greiner Woodward-Clyde in the amount of \$128,757.94.
