SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: FAIRWAY DRIVE ROAD BUMPS

Members of the Board:

The residents of Fairway Drive have submitted an application along with a petition of affirmation signed by 54.8% of the residents for the installation of seven road bumps. Bus service is not provided on Fairway Drive by the local school district, therefore, a letter from the local school district stating their position regarding road bumps is not required. The Central Fire Protection District policy on road bumps states "it is not this department's policy or standard to promote the installation of speed bumps that would encroach upon any alley, lane or street utilized by the Central Fire Protection District."

The residents of Fairway Drive have complied with all the provisions of the Policy and the street meets all the eligibility requirements for placement of road bumps. The Policy requires approval by the Board of Supervisors prior to the placement of the bumps. The residents will be required to pay \$7,000.00, which is one half the cost of the installation of the new bumps.

It is therefore recommended that the Board of Supervisors consider adoption of the attached resolution authorizing the placement of road bumps on Fairway Drive.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
