REQUEST TO DEFER REPORT ON **CAPITOLA** ROAD BETWEEN SEVENTH AVENUE AND THIRTIETH AVENUE

Dear Members of the Board:

In January of 1999, as part of approving a Route Concept for the improvement of Capitola Road, your Board directed Public Works and Redevelopment staff to initiate a community input process for developing a more detailed concept plan for the Capitola Road Improvement Project and report back to the Board with any additional recommendations arising from that process. That report was scheduled for Board consideration on September 21, 1999.

A community meeting to facilitate public input into this planning process was held September 9, 1999. Staff is currently in the process of incorporating the comments and recommendations received at this community meeting into the concept plan for Capitola Road, and is unable to complete this in time for the agenda deadline for the September 21 meeting.

It is therefore **RECOMMENDED** that the Board of Supervisors defer consideration of this report on Capitola Road between Seventh and Thirtieth Avenues until no later than October 19, 1999.

Very truly yours,

Tom Burns
