SUBJECT: AUDIT REPORT ON AGRICULTURAL COMMISSIONER'S SPECIAL FUND

Dear Members of the Board:

We have completed an audit of the Agricultural Commissioner's Special Fund receipts and disbursements for the fiscal year ended June 30, 1999. The purpose of our audit was to determine whether the special fund expenditures were appropriate, reported accurately, and whether the internal control over the funds and the financial reporting were adequate.

We found that the receipts and disbursements of the Agricultural Commissioner's special fund were reported accurately and the disbursements were appropriate. Internal controls over the funds are adequate. There are no material weaknesses in the internal controls, however, we have made specific recommendations to management to improve the effectiveness of the controls. We have discussed our recommendations with the Agricultural Commissioner who reported that he has taken the necessary steps to implement our recommendations.

We wish to acknowledge the Agricultural Commissioner and his staff for their assistance and cooperation during the audit process. There is no further action required by your Board at this time.

IT IS THEREFORE RECOMMENDED that your Board accept and file this report.

Sincerely yours,

Gary A. Knutson
Auditor-Controller

Auditor's Report

July 2, 1999

BOARD OF SUPERVISORS
County of Santa Cruz
Santa Cruz, CA

We have audited the accompanying statement of receipts and disbursements of the Agricultural Commissioner's special fund for the fiscal year ended June 30, 1999. This fund is used for undercover purchases of commodities to protect consumers from fraud. The Commissioner's investigative activity is required in accordance with Business and Professions Code Section 12 10 1.

We conducted our audit in accordance with the *Standards for the Professional Practice of Internal Auditing* published by the Institute of Internal Auditors. The purpose of our audit was to determine whether the special fund expenditures were appropriate, reported accurately, and whether the internal control over the funds and the financial reporting were adequate. An audit includes examining, on a test basis, evidence supporting the amounts reported in the financial statement.

In the performance of our audit we verified the balance of cash on hand, made an accounting of all the receipts and disbursements for the period under review, and reconciled the receipts and disbursements of the fund to the approved appropriation. We examined documentation for the disbursements, the refund of unexpended money to the County treasury, and reviewed the claim for the amount appropriated for the fiscal year 1999-2000.

We found that the receipts and disbursements of the Agricultural Commissioner's special fund were reported accurately and the disbursements were appropriate. Internal controls over the funds were generally adequate. There are no material weaknesses in the internal controls, however, we have made specific recommendations to management to improve the effectiveness of the controls.

Note 1: Basis of Accounting

The Special Fund utilizes the cash basis of accounting. This means that receipts and disbursements are recognized when the cash transactions take place rather than when the revenues are earned or expenses incurred.
