### SHERIFF'S SOUTH COUNTY COMMUNITY SERVICE CENTER

Dear Members of the Board:

On August 10, 1999 during discussion of the Freedom/Carey Reorganization, your Board directed that the CAO and Sheriff report back on issues related to the South County Sheriff's Service Center as to its current location in the proposed annexation area. Since that meeting the Sheriff and the CAO have met to discuss these issues and we are pleased to report that we are in agreement on this matter.

The Sheriff has no plans to provide services, other than mutual aid, to the annexation area if that annexation is in fact approved. The Sheriff is also agreeable to moving the South County Service Center from its current location to a location in the unincorporated area given that sufficient lead time is available to find a suitable location and facility that will meet the needs of the Sheriffs Office and residents of the South County unincorporated area. CAO staff and staff of the Sheriffs Office have begun the process of looking for a new location and will work together to facilitate a successful transition.

We will continue to keep your Board apprised of our efforts in this regard.

It is therefore RECOMMENDED that your Board accept and file this report on the Sheriffs South County Community Service Center.

Very truly yours,

Susan A. Mauriello  
County Administrative Officer

Mark S. Tracy  
Sheriff-Coroner
