Santa Cruz, CA 95060

### **REQUEST FROM THE CITY OF SANTA CRUZ FOR ASSISTANCE WITH HOMELESS COMMUNITY RESOURCE CENTER FACILITY IMPROVEMENTS**

Dear Members of the Board:

As a part of last day budget actions in June of this year, your Board indicated your willingness to allocate up to \$10,000 for facility improvements at the Homeless Service Center in order to establish a daytime respite site for families with children. Your Board also referred the request to the Human Resources Agency for further review, analysis and a recommendation regarding the specific amount of funding needed. On August 17, 1999 the request was continued until September 28, 1999 when it was anticipated that specific information on the Homeless Resource Center renovation costs would be available from the City of Santa Cruz. Based on the most recent project schedule, it now appears that the actual project costs will not be known until October 18, 1999.

IT IS THEREFORE RECOMMENDED that your Board direct the Human Resources Agency Administrator to return on November 2, 1999 with an analysis and recommendation regarding the City of the Santa Cruz' request for assistance with the Homeless Community Resource Center renovations.

Very truly yours,

CECILIA ESPINOLA  
Administrator
