Defer Report on Juvenile Hall Facility Remodel Project Until October 19, 1999

Dear Members of the Board:

On August 21, 1999, your Board requested that the Probation Department return on October 5, 1999 with a more detailed report on the proposed Juvenile Hall Facility Remodel Project. The Probation Department has scheduled meetings with the County Administrative Office and the General Services Department the week beginning October 4, 1999 to determine which remodeling projects identified in the report prepared by the Juvenile Hall Overcrowding Task Force can be implemented without delay, and to revise and delineate the scope of services for a proposed contract for project development consulting services.

IT IS THEREFORE RECOMMENDED that your Board defer the Probation Department's Report on the Juvenile Hall Facility Remodel Project until October 19, 1999.

Sincerely,

JOHN P. RHOADS
Chief Probation Officer
