BOARD OF SUPERVISORS  
County of Santa Cruz  
701 Ocean Street  
Santa Cruz, CA 95060

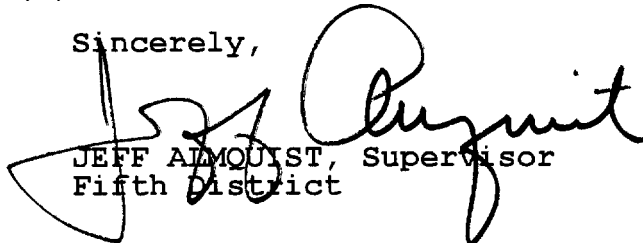

RE: AT-LARGE APPOINTMENT TO THE HAZARDOUS MATERIALS  
ADVISORY COMMISSION (IN THE CATEGORY OF  
CHEMISTRY OR CHEMICAL ENGINEERING)

Dear Members of the Board:

I recommend the appointment of the following person to the Hazardous Materials Advisory Commission, in the category of "Chemistry or Chemical Engineering," in accordance with County Code Chapter 2.92, Section 30, for a term to expire April 1, 2003:

Steven R. Tronick, Ph.D.  
131 Stoneybrook Way  
Santa Cruz, CA 95060  
427-1155 (H)  
457-3800 (B)

Sincerely,

JEFF ALMQUIST, Supervisor  
Fifth District

APPLICATION FOR APPOINTMENT TO A COUNTY ADVISORY BODY

RECEIVED  
SEP 08 1999  
ENVIRONMENTAL  
HEALTH SERVICES

0472

INSTRUCTIONS

If you are interested in serving on a County Advisory Body please complete the following application and return it to the Board of Supervisors, 701 Ocean St., Room 500, Santa Cruz, California. If you are interested in being considered for more than one advisory body a separate application should be submitted for each appointment you are seeking.

Upon receipt, your application for appointment will be routed to each Board member and then filed for further consideration by Board members when there is a vacancy on the advisory body. If a Supervisor is interested in nominating you for appointment, the Supervisor will contact you and discuss the appointment, the appointment process, and requirements for the advisory body in question.

Please specify below the Commission/Committee or Board to which you are seeking appointment and provide the requested information.

Thank you for your interest in County Government.

COMMISSION, COMMITTEE or BOARD HAZARDOUS MATERIALS ADVISORY COMMITTEE  
(CHEMIST)

Name STEVEN R. TRONICK, Ph.D.

Address 131 Stoneybrook way  
SANTA CRUZ, CA 95060-2329

Phone (Home) 831-427-1155

(Business) 831-457-3800

Supervisory District 3RD

Length of Residence in Area 4 YRS. 9 MOS.

Age (Optional) Circle one: Under 21  
21-30  
31-40  
Over 40

PREVIOUS COMMISSION OR COMMITTEE SERVED (Please specify)

Jeff Almquist  
Fifth District Supervisor  
Santa Cruz County Board of Supervisors  
701 Ocean Street, Room 500  
Santa Cruz, CA 95060

Dear Supervisor Almquist:

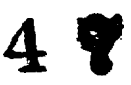

As suggested by Steve Schneider, Santa Cruz County's Hazardous Materials Program Manager, I am writing to apply for a position on the Santa Cruz County Hazardous Materials Advisory Commission. After discussing the Commission's functions with Steve, I believe that I am well qualified to serve as a member. I would consider it an honor and privilege to help insure the health and safety of the citizens of Santa Cruz County.

As Director, Research and Development at Santa Cruz Biotechnology, I act as the Company's Safety Officer and am in charge of our programs for the safe handling and disposal of hazardous materials in accordance with local, regional, state and federal regulations. Prior to joining Santa Cruz Biotechnology, I conducted basic biomedical research for 25 years at the National Cancer Institute, National Institutes of Health where I served as a Laboratory Chief, Deputy Laboratory Chief and Section Chief. In all of these positions I was responsible for the safe conduct of activities involving hazardous chemicals, radioactive isotopes, controlled substances, biohazardous agents and recombinant DNA.

To help familiarize you further with my qualifications I have enclosed my curriculum vitae for your consideration. Please contact me should you require any additional information.

Best Regards,

Steven R. Tronick, Ph.D.  
Director, Research and Development

August 27, 1999

CURRICULUM VITAE

STEVEN R. TRONICK, Ph.D.

Education:

1966 - B. A., University of California, Los Angeles (Bacteriology, Highest Honors)

1969 - Ph.D., University of California, Los Angeles (Microbiology)

Chronology of Employment:

- 1966-1969 - Predoctoral Fellow, National Institutes of Health, Bethesda, Maryland
- 1969-1971 - Postdoctoral Fellow, National Heart & Lung Institute, National Institutes of Health, Bethesda, Maryland
- 1971-1972 - Scientist, Meloy Laboratories, Springfield, Virginia
- 1972-1975 - Staff Fellow, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1975-1985 - Research Microbiologist, Laboratory of Cellular and Molecular Biology, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1985 -1994 - Chief, Gene Structure Section, Laboratory of Cellular and Molecular Biology, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1990-1994 - Deputy Chief, Laboratory of Cellular and Molecular Biology, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1990-1993 - Consultant, Sterling-Winthrop, Inc.
- 1993-Present - Consultant, Millen, White, Zelano & Branigan, P.C., Falls Church, Virginia
- 1993-1994- Acting Chief, Molecular Biology Section, Laboratory of Cellular and Molecular. Biology, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1993 -1994 - Acting Chief, Laboratory of Cellular and Molecular Biology, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1994-Present - Director, Research and Development, Santa Cruz Biotechnology, Inc., Santa Cruz, California

Honors and Awards:

National Institutes of Health, Merit Award, 1990  
National Institutes of Health, Director's Award, 1993

Committees, Review Panels:

Division of Cancer Etiology, National Cancer Institute, Tenure/Promotion Review, 1988-1990

Division of Cancer Etiology, National Cancer Institute, Contract/Program Review, 1988-1994

Division of Cancer Etiology, National Cancer Institute, AIDS Vaccine Task Force, 1989-1992

National Cancer Institute Information Processing Committee, 1991-1994

National Institute of Allergy and Infectious Diseases Special Emphasis Panel, 1995

Chair, Santa Cruz Biotechnology, Inc., Institutional Animal Care and Use Committee, 1996-present

Animal Health and Well-Being Programs, National Research Initiative, Competitive Grants Program, United States Department of Agriculture, 1998

Italian Association for Cancer Research (AIRC), 1995-present
