Dear Kathy and Cecilia:

I am very sorry to inform you of my decision to resign from the Interim Workforce Investment Board.

While the interim WIB, its goals and achievements are vitally important to our community, I have not had the appropriate time to devote to this effort. I think you would agree. Looking forward, I do not see that my calendar will allow me available time through the end of our fiscal year and probably beyond. My status on the interim WIB, at best, would be irregular and uninformed participation – which is not fair to the group.

I am very enthusiastic about the progress you have made and feel confident that the ongoing WIB will serve the needs of our community. I will try my best to help from the sidelines.

Sincerely,
