INTERIM WORKFORCE INVESTMENT BOARD REVIEW AND COMMENT ON THE JOB TRAINING TASK FORCE REPORT RECOMMENDATIONS

Dear Members of the Board:

On August 10, 1999, your Board referred the Job Training Task Force (JTTF) Report to the Interim Workforce Investment Board for review and comment before final Board of Supervisors' acceptance of the report. Your Board requested that the Interim Workforce Investment Board report back with comments no later than October 19, 1999. Accordingly, the Interim Workforce Investment Board scheduled a review and comment period at its next full meeting held on September 23, 1999.

As you may recall, the JTTF Report includes provisions that its findings be considered in the local 5-Year Strategic Planning process required under the 1998 Workforce Investment Act. After preliminary review and discussion, the Interim Workforce Investment Board elected to convene an Ad-Hoc Subcommittee to study the report further and develop comments for your Board.

IT IS THEREFORE RECOMMENDED that your Board defer the Interim Workforce Investment Board's comments on the JTTF Report recommendations until your November 16, 1999 meeting.

Very truly yours,

Cecilia Espinola
