RE: AT-LARGE APPOINTMENT TO THE HAZARDOUS
MATERIALS ADVISORY COMMISSION
(REPRESENTING ENVIRONMENTAL INTERESTS)

Dear Members of the Board:

Carlos Walker is currently serving as an at-large appointee to the Hazardous Materials Advisory Commission as a representative of the interests of law enforcement. As you will note from the attached letter, Mr. Carlos indicates that his current profession would more appropriately align him as a representative of environmental interests and is requesting that the Board change his category of representation from "law enforcement" to "environmental interests."

I believe that the Board should make the change requested by Mr. Walker. Therefore, in accordance with County Code Chapter 2.92, Section 30, I recommend that the Board reappoint Carlos Walker to the Hazardous Materials Advisory Commission, as an at-large representative of environmental interests, for a term to expire April 1, 2003.

Sincerely,

JEFF ALMQUIST, Chairperson
Board of Supervisors

Dear Sir or Madam,

This is a request to the Board of Supervisors to change my representation on the Hazardous Materials Advisory Commission from Law Enforcement to Environmental Interests.

I have been a member of the Hazardous Materials Advisory Commission as the Law Enforcement representative since 1986. I was a Police Officer at Cabrillo when I joined, but over the years, my connection with Law Enforcement has diminished as my career has evolved to where I am now a Staff Safety Engineer for IBM Research with strong involvement in hazardous materials and environmental protection. This change in representation would better align with my current expertise.

Thank you for your consideration of this request.

Sincerely,

Carlos Walker
