### SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street  
Santa Cruz, California 95060

SUBJECT: HIDDEN VALLEY EMBANKMENT REPAIR PROJECT  
COUNTY SERVICE AREA NUMBER 26 (DISTRICT 1)

### Members of the Board:

The plans, specifications, and engineer's estimate for the Hidden Valley Embankment Repair Project, County Service Area (CSA) Number 26, are complete and presented here for your consideration and approval. The project provides for construction of a 480 square-foot retaining wall, including concrete piers, soldier beams, timber lagging, backfill, slope protection, and asphalt berm.

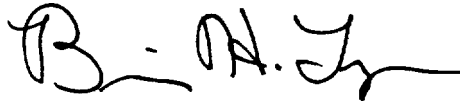

The engineer's estimate for this project is \$70,170, not including contingencies and administration costs. In order for sufficient funds to be available for the project, CSA Number 26 property owners, in compliance with Proposition 218, voted to increase their 1999/2000 benefit assessment rate by \$1,000 per parcel in Zones B through G. As the ballot proceedings were completed after the 1999/2000 Budget Hearing, and in order to appropriate these monies in the 1999/2000 budget year, it will now be necessary for your Board to adopt the attached resolution accepting unanticipated revenue in the amount of \$68,000.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate and authorize calling for bids.

2. Set bid opening for 10:45 a.m. on October 19, 1999.
3. Direct the Clerk of the Board to advertise a Notice to Contractors for a ten-day period beginning September 26, 1999, in accordance with provisions of the Public Contract Code Section 20392.
4. Adopt resolution accepting unanticipated revenue in the amount of \$68,000 from Hidden Valley CSA Number 26.

Yours truly,

For JOHN A. FANTHAM  
Director of Public Works
