AGENDA: October 26, 1999

BOARD OF SUPERVISORS
County of Santa Cruz
701 Ocean Street
Santa Cruz, CA 95060

SUBJECT: CONTRACT FOR PUBLIC BEACH MONITORING AND POSTING

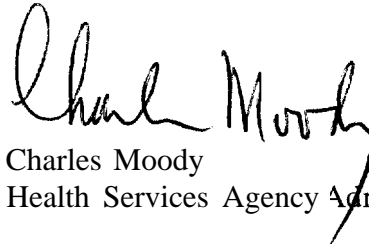

Members of the Board:

The Environmental Health Service (EHS) has, for some time, had an active program of monitoring ocean water quality at public beaches and posting notices of unsafe conditions. State legislation (AB 411) has recently increased the requirements for frequency and location of sampling, the tests used, and the necessity for posting, resulting in increased costs to EHS. AB 411 provided funding from the State to help meet these increased costs through a contract reimbursement program. The reimbursement from the State was anticipated in preparation of EHS's approved 1999-2000 budget. The Health Services Agency is now recommending that your Board approve the agreement with the State.

The term of the contract is April 1, 1999, through June 30, 2000. The contract will reimburse EHS for costs associated with mandated implementation of AB 411, up to a total of \$9435.

It is therefore RECOMMENDED that your Board authorize the Health Services Agency Administrator to sign the Standard Agreement (on file with the Clerk of the Board) with the State of California for reimbursement of costs associated with mandated ocean water monitoring and beach posting.

Sincerely,

Charles Moody
Health Services Agency Administrator

Diane Evans, REHS
Environmental Health Director
