REQUEST FROM THE CITY OF SANTA CRUZ FOR ASSISTANCE WITH HOMELESS COMMUNITY RESOURCE CENTER FACILITY IMPROVEMENTS

Dear Members of the Board:

As a part of last day budget actions in June of this year, your Board indicated your willingness to allocate up to \$10,000 for facility improvements at the Homeless Service Center in order to establish a daytime respite site for families with children. Your Board also referred the request to the Human Resources Agency for further review and a recommendation regarding the specific amount of funding needed. On September 28, 1999 the request was continued until November 2, 1999 when it was anticipated that specific information regarding the Homeless Resource Center renovation costs would be available from the City of Santa Cruz. However, for various reasons, the City has had to rebid the project and as a result, the information regarding costs is not available at this time. It is anticipated that our agency will receive more detailed information regarding the costs of construction of the daytime respite site by the end of this year.

IT IS THEREFORE RECOMMENDED that your Board direct the Human Resources Agency Administrator to return on January 25, 2000 with an analysis and recommendation regarding the City of the Santa Cruz' request for assistance in funding the Homeless Community Resource Center renovations.

Very truly yours,

CECILIA ESPINOLA
Administrator
