Dear Judy:

A couple of months ago, Tony Campos said that the County was going to establish a health commission, and suggested that the Hospital should consider being represented. I subsequently spoke to you and you kindly faxed us an application form.

Barry Schneider, our Chief Executive Officer, is prepared to serve, if selected, and I am attaching an application and a copy of his C.V. for that purpose. Barry has been based at the Hospital since July 1998, and took over as CEO on February 1, 1999.

The application has not been signed as Barry is currently out of town, but rather than hold up the process any more, I thought I should at least get you some of the details.

If you need any other information, please let me know.

Sincerely,

Linda I. Bartlett
