Mr. Tony Campos;

I am interested in **serving** on the commission board in serving my community. As a native-born resident I have seen changes and growth in my community.

As a resident I am proud of my successes in my advocating on the behalf others. I have moved in many circles, which enable me to examine, observe, and understand my communities' needs.

My life experiences have thought me to examine issues of importance on behalf of one who is unable to understand what resources are available in our community.

As a youth my first experience of advocacy began with the elderly and disabled. I have continued to escalate on my advocacy on behalf of others'.

I have expanded my support in areas of single parenting, homelessness, domestic violence, drug/alcohol and those with mental disabilities.

My commitment to my community will continue to grown.

I will continue to expand my convictions toward advocating on behalf of others and contribute to servicing my community.

Ms. M. Carlen
