Dear Board of Supervisors,

I am applying to be appointed to the County Women's Commission because I am concerned about the rights of women in our community and worldwide.

I have spent my whole adult life working in the social services arena, largely with children and children's rights. Currently I am the Program Support coordinator of the San Lorenzo Valley Healthy Start program, as well as Regional Director for AYUSA international youth exchange. In my work with Healthy Start and the Valley Resource Center I have the opportunity to hear concerns of women who's voices are rarely heard outside their own very small circles. I would very much like to represent these women as well as my colleagues and all women in my community.

I bring with me the ability to evaluate concerns from all points of view, clearly articulate those concerns which are valid and work cooperatively to effect change.

I am happy to provide any other information you may need and would very much like to be considered for this appointment.

Thank you for your time,

Vicki Dyas
