SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: THIRTIETH AVENUE PLAN LINE

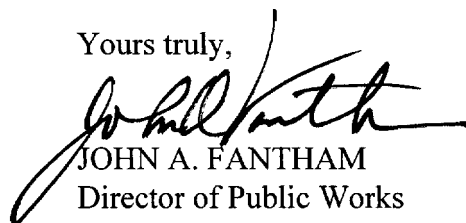

Members of the Board:

On November 9, 1999 the Board considered approval of a plan line recommendation for Thirtieth Avenue between East Cliff Drive and Scriver Street. In response to comments from a resident on the street, the Board directed Public Works and Redevelopment staff to include corner bulbouts and landscaping in the plan line and report back to the Board on today's agenda.

Staff has determined that it is feasible to include landscaped bulbouts at the intersections of Thirtieth Avenue with Calla Drive and Hawes Drive, and may be feasible at Scriver Street if design issues can be resolved, but has been unable to complete the necessary analysis and redesign at this time. Staff will continue to pursue options relative to the size and number of bulbouts, and will include the bulbouts in the project plans as appropriate. The plans will then be returned to the Board for approval at the time the project is put out to bid.

It is therefore recommended that the Board of Supervisors accept and file this report on Thirtieth Avenue corner bulbouts and landscaping.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
