### AUDITOR - CONTROLLER'S OFFICE GARY A. KNUTSON, AUDITOR -CONTROLLER

Agenda Date: December 14, 1999

December 6, 1999

Board of Supervisors 701 Ocean Street Santa Cruz, California 95060

Dear Members of the Board:

Subject: Quarterly General Fund Financial Update

We have completed the Financial Update for the quarter ended September 30, 1999. This report contains some information that actually extends beyond the date of the first quarter. Below is a summary of the results of operations.

### **EXPENDITURES**

The expenditure trend, when adjusted for the Plant transfer, is very consistent with the prior fiscal period. Presently, the County is making progress on obtaining the salary savings goals on a county-wide basis without consideration to any PERS savings.

#### **REVENUES**

The departmental revenue trends are very consistent with the prior year. The non-departmental revenues are being realized on an overall basis. The non-departmental revenues will fluctuate from quarter to quarter. Presently, these revenues are exceeding the quarterly estimated amounts. The sales taxes-Prop 172, transient occupancy tax, motor vehicle tax, and utility tax account for the greatest share of the increase of quarterly budget to actual comparisons.

### CASH FLOW

Our cash flow is comparative with last fiscal year as adjusted for prepayments of self insurances and capital projects. We are examining all the changes that have occurred and assessing the year

 $G:\GARY\QRT.1$ 

end requirements and will provide another update in the next quarterly report.

0104

### **STATISTICS**

Workload statistics indicate a continued decrease in the welfare case load, a decrease in clinic activity, a decrease in the unemployment rate, decrease in court related filings, and an decrease in the main jail inmate population.

It is recommended that your Board accept and file this report,

Sincerely,

Gary A. Knutson Auditor-Controller
