SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

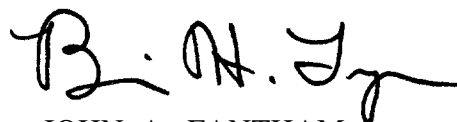

SUBJECT: BUENA VISTA LANDFILL GAS POWER PROJECT

Members of the Board:

On December 14, 1999, your Board directed Public Works to return today with a final recommendation regarding the operational structure for the Buena Vista Landfill Gas Power Project. At that time we indicated that the County's development consultant, Brown, Vence and Associates (BVA) had submitted an alternate proposal to operate this project as a joint venture with the County. Project structure options and the BVA proposal are still under review by Public Works and the County Administrative Office.

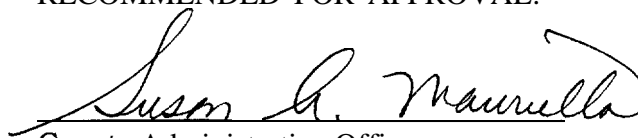

It is therefore recommended that the Board of Supervisors defer consideration of this item to February 15, 2000.

Yours truly,

For JOHN A. FANTHAM
Director of Public Works
