AGENDA: January 25, 2000

January 12, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS 701 Ocean Street Santa Cruz, California 95060

SUBJECT: TROUT GULCH ROAD IMPROVEMENT PROJECT

CONTRACT CHANGE ORDER NO. 2

Members of the Board:

The Department of Public Works is nearing completion on the construction of the Trout Gulch Road Improvement Project in Aptos Village. The project includes the construction of pedestrian roadside improvements on Trout Gulch Road, the construction of a left-turn lane on Trout Gulch Road at the Cathedral Drive intersection, and drainage improvements. During construction, it was determined that additional **funding** would be necessary to complete the project due to additional construction costs. These extra construction costs are due to the use of additional aggregate base rock because of the unsatisfactory soil conditions that were found along the Trout Gulch Road corridor in widening the roadway, and the cost to remove some long abandoned curbing that was found in the construction area.

Attached for your Board's approval is Contract Change Order No. 2 in the amount of \$36,820.00, which would increase the quantity estimated for Contract Item No. 9 AGGREGATE BASE CLASS 2 by 526 tons. The increase in cost of the contract is \$41,897.40, including administration and inspection costs. The Public Works Department proposes to fund the Contract Change Order with \$26,500 in project contingency funds and \$15,397.40 that is available in the Aptos Improvement fund, as a result of a surplus in the funding for the Soquel Drive Project (Porter Gulch to State Park Drive).

It is therefore recommended that your Board take the following action:

1. Approve Contract Change Order No. 2 in the amount of \$36,820.00 and authorize the Chairperson of the Board to sign the Change Order on behalf of the County.

2. Direct of the Clerk of the Board to return the signed document to the Public Works Department for further processing.

Yours truly,

JOHNA. FANTHAM
Director of Public Works
