RE: **SEACLIFF** VILLAGE PLAN EXTENSION REQUEST

Dear Members of the Board:

On August 10, 1999, the Board of Supervisors directed the Planning Department to return at the first meeting in March of 2000 with a conceptual Community Plan for the **Seacliff** Village area. (Item 52, Section 4, attached).

As you are aware, Assembly Member Fred Keeley introduced a statewide parks bond proposal that is on the March 7, 2000, ballot. The **Seacliff** Village Plan Committee and many residents of the **Seacliff** area feel that an additional month after the March 7, 2000, ballot would be prudent in light of this significant bond proposal. Additionally, I have spoken to Glenda Hill, staff planner for the **Seacliff** Village Plan, who believes that an additional month would be helpful in finalizing the Planning Department's presentation to the Board.

Therefore, I am requesting that the Board defer the report by the Planning Department on the conceptual Community Plan for **Seacliff** Village until the April 4, 2000, Board meeting. It should also be noted that this deferment would not affect interim Ordinance No. 4556 established by the Board on August 10, 1999.

Sincerely,

WALTER J. SYMONS, Supervisor
Second District
