### ACCEPT AND FILE REPORT ON WELFARE-TO-WORK CONTRACTS

Dear Members of the Board:

On December 14, 1999, your Board accepted and appropriated state funds for the CalWORKs Welfare-to-Work program, and directed the Human Resources Agency to return with further recommendations on or before February 15, 2000. The purpose of this letter is to defer those recommendations to March 7, 2000. This change is necessary due to ongoing discussions regarding the structure of funding for the contracts in next fiscal year. At that time, the Human Resources Agency anticipates recommending a contract increase for the Community Action Board for the work-related emergency payments fund they provide for CalWORKs participants.

IT IS THEREFORE RECOMMENDED that your Board accept and file this report, and direct the Human Resources Agency to report back with recommendations on Welfare-to-Work contract services on March 7, 2000.

Very truly yours,

CECILIA ESPINOLA
