### EMPLOYEE PRESENTATION: SECOND HARVEST FOOD DRIVE

Dear Members of the Board:

As you are aware, your Board has established the Second Harvest Food Bank Holiday Food Drive that is enthusiastically supported by County employees. This letter summarizes the results of the program and recommends that your Board acknowledge the departmental coordinators for their efforts.

For the past nine years, SEIU Local 415, the Mid-Management Association and Executive Management have combined in a joint venture to support the Second Harvest Food Bank Holiday Food Drive. The Second Harvest Food Bank is a private nonprofit organization that distributes food to 120 charitable programs serving more than 36,000 people per month.

SEIU distributes donation bags to all of its members to assist employees in bringing in food donations. The Mid-Management Association contributed \$500 and Executive Management helped coordinate the barrel distribution and brown bag distribution to the other employees.

Again this year, departmental coordinators took on the task of coordinating the Food Drive effort at the departmental level. While the County had set a goal of 28,000 pounds, the incredible generosity of County employees resulted in contributions totaling 38,529 pounds, which includes 8,532 pounds in direct food donations and \$9,999 in monetary donations that the Food Bank counts triple in pounds.

Dear Ms. Mauriello and Friends:

The Second Harvest Food Bank 1999 Holiday Food Drive is over, and it is you that we owe to its incredible success. Our Board of Directors, staff and member agencies all wish to extend our most heartfelt thanks and congratulations for the commitment you gave to hunger relief locally.

The outstanding support we received throughout the community from businesses, corporations and individuals resulted in a 58% increase from last year. The combined amount of food and monetary donations totaled a remarkable 416,261 pounds!

County employee's contributed to this overall total with 38,529 pounds for a Platinum Can award! I would like to offer a special thanks to all our County coordinators for your personal time and effort, which cannot be measured.

As you know, the Holiday Food Drive is our largest campaign to help feed thousands in our county. Not only has your participation provided food for the hungry, it has also increased the awareness of the need to alleviate hunger and malnutrition in our community.

Thank you again for including the Food Bank this holiday season and making a difference in the lives of so many. We look forward to your participation in 2000.

Sincerely,

Bertha Fierro  
 Events Manager
