### BOARD OF SUPERVISORS

County of Santa Cruz  
701 Ocean Street  
Santa Cruz CA 95060

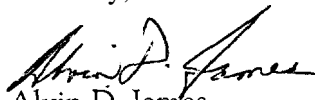

Subject: Deferral of a Report Back on Design Review Issues

Members of the Board:

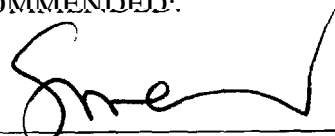

On March 23, 1999, your Board considered a report from the Planning Department on additional submittal requirements for projects subject to the County's Design Review ordinance. Your Board also directed this department to return with an ordinance to codify the specified changes. The department has made substantial progress in the development of a conceptual ordinance for your consideration. However, additional review and analysis of the proposed ordinance is necessary to insure internal consistency with other provisions of Volume II. Further, more issues have arisen than previously anticipated that require added investigation.

It is therefore, RECOMMENDED, that your Board defer consideration of our report back and the proposed ordinance to on or before April 4, 2000.

Sincerely,

  
Alvin D. James  
Planning Director
