County of Santa Cruz

Santa Cruz, CA 95060

SUBJECT: **SET A PUBLIC HEARING TO ADOPT THE
HESTWOOD PARK MASTER PLAN**

Dear Members of the Board:

The Department of Parks, Open Space and Cultural Services is requesting permission to set a public hearing on April 4, 2000, before your Board, to consider adoption of the proposed Master Plan for Hestwood Park.

Hestwood Park, APN 26-201-04, is a 0.6 acre parcel located in Live Oak at the corner of Avila and Harper Street. It was bequeathed to the County in 1988 by Ashley Hestwood specifically for construction of a neighborhood park.

Since March of 1998, two public community design workshops and a public hearing before the Parks and Recreation Commission, have been held to develop a master plan for the park. The components in the Master Plan include a turf area, walking paths, picnic area, play area and a small restroom (see Hestwood Park Master Plan attachment 1).

The Parks Department will specifically notice those individuals whose property adjoins the site along with individuals who have requested to be on the Department's mailing list. These mailings will be done in addition to the typical advertising that is being recommended.
