ALVIN D. JAMES, DIRECTOR

March 7, 2000

Board of Supervisors
701 Ocean Street
Santa Cruz, CA 95060

AGENDA: March 14, 2000

SUBJECT: Post Disaster Policies

Members of the Board:

As we have previously reported on this matter, staff has been assessing the policies developed in response to the Loma Prieta Earthquake as well as the post disaster policies of other jurisdictions and recovery policy models developed by a number of governmental and professional organizations. Because of the wide range of issues to be considered, additional time will be required to prepare our recommendations.

It is, therefore, **RECOMMENDED** that your Board:

Defer evaluation of post disaster policies and procedures until May 23, 2000 and direct the Planning Department to return with a progress report on that date.

Sincerely,

Alvin D. James
Planning Director

County Administrative Officer
