SUBJECT: Deferral of Report on Certification of Medi-Cal Providers

Dear Members of the Board,

The Health Services Agency and Community Mental Health have not completed their evaluation of three organizations willing and able to provide certification services for Medi-Cal providers. Community Mental Health is contacting current customers of these firms to determine their satisfaction of services delivered. Community Mental Health expects to complete this evaluation and report back to your Board on or before May 2, 2000.

It is therefore recommended that your Board:

1. Defer the Health Services Agency report on Certification of Medi-Cal Providers to the Board meeting of May 2nd, 2000.

Respectfully submitted,

Rama Khalsa, Ph.D., Administrator
Health Services Agency
