SANTA CRUZ COUNTY BOARD OF SUPERVISORS

 Santa Cruz, California 95060

SUBJECT: MLD 98-0817 TANNER COURT
APN 026- 173 -07, ORBAN, SUBDIVISION AGREEMENT

Members of the Board:

On September 22, 1999, the County of Santa Cruz Planning Commission approved the subject minor land division with conditions. The Department of Public Works has checked the improvement plans and verified that all conditions have been met.

The minor land division was required by the Planning Commission to acquire all rights of way and easements and make all dedications thereof as needed for the construction of the required improvements. The conditions also provide that any and all costs incurred by the County of Santa Cruz to obtain title to any property in the event that condemnation proceedings are necessary to implement this condition shall be paid in full by the applicant prior to recording of the parcel map. The applicant has made a good faith effort to obtain the needed rights of way but has been unsuccessful in completing negotiations with the affected property owners.

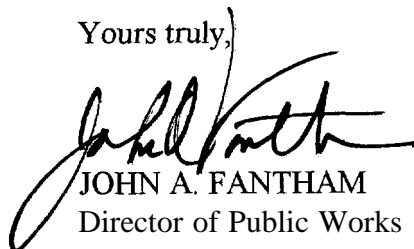

Attached is a copy of the subdivision agreement prepared by the Department of Public Works with provisions for the County to acquire the needed rights of way, using condemnation proceedings if necessary. A cash security of \$1 0,000.00 has been provided by the applicant to the County for property acquisition.

It is therefore recommended that the Board of Supervisors authorize the Director of Public Works to execute the subdivision agreement on behalf of the County.
