Dear Supervisor Almquist,

I am submitting my application for your consideration regarding the position of County Art Commissioner.

I feel I possess the qualities necessary for this advisory board. I am a local Santa Cruz County artist (5th district), having involved myself in the art community this past **twenty-four** years. I have been active in Hearts for the Arts, Open Studios, the Santa Cruz Mountains Art center and related visual arts activities. I have a deep commitment to public art and I am dedicated to the promotion and expansion of art awareness in the county. I have served and volunteered on numerous boards and committees.

In addition, my art therapy career has afforded me opportunities to work closely with children these past fourteen years, allowing me to foster and encourage youth to explore and gain greater insights into themselves through their art.

I feel that I have contributed through my talent and related background and could do the same for the Arts Commission.

Sincerely,

Bruce R. Arnold, Ph.D
