Re: Application to be Appointed to Long Term Care Interagency Commission

Dear Supervisors:

Enclosed is my application to be appointed to the Long Term Care Interagency Commission. I previously served on this Commission from 1992 to mid-1998, serving as the representative for senior transportation issues. My tenure included time as both vice-chairperson and as chair.

I have recently accepted the position of Executive Director of the Seniors Council. Advocating for and helping implement programs serving seniors is an integral component of the Seniors Council. The Long Term Care Interagency Commission's work continues to be at the forefront of senior issues, focusing on items such as In Home Support Services and the Long Term Care Integration Pilot Project.

The combination of my experience as Director of Lift Line from 1990-1998, my past experience on the LTCC, coupled with my current job, provide me with the background to serve. In fact, one of the categories to be represented on the LTCC is a member from the Area Agency on Aging (AAA); the Seniors Council is the designated AAA for Santa Cruz and San Benito Counties.

Thank you for considering my application.

Sincerely,

Clay Kempf
