SUBJECT: TREASURER QUARTERLY CASH COUNT

Dear Members of the Board:

Attached is the statement of the count of money in the treasury on March 9, 2000. In accordance with Government Code Section 26920 et seq. this office counts the treasury cash quarterly. This cash count does not constitute an audit and does not include a review of internal controls in the Treasurer's Office. In addition to counting cash on hand, our quarterly procedures include:

- Verifying that cash balances reconcile to the accounting records,
- Periodic confirmations of balances and investments with depositories and the safekeeping agent, and
- Testing all investments for compliance with the Government Code Section 53600 and with the County's Investment Policy.

We found the Treasurer's records of cash and investments were in agreement with the accounting records in the Auditor-Controller's Office. Investments were in compliance with the investment restrictions set forth in the Government Code and the County's Investment Policy.

IT IS THEREFORE RECOMMENDED THAT YOUR BOARD ACCEPT AND FILE THIS REPORT.

Very truly yours,
