Approve Resolution Authorizing the Chief Probation Officer to Apply to the Office of Criminal Justice Planning for Continuation Funding for the Gang Violence Suppression Multi-Component Program (BASTA) for Fiscal Year 2000-2001

Dear Board Members:

On October 27, 1992, your Board initially approved the Probation Department's participation in an Office of Criminal Justice Planning (OCJP) Multi-component Gang Violence Suppression Grant. The local program is commonly known as BASTA (Broad-Based Apprehension, Suppression, Treatment Alternatives). Subsequently, your Board authorized a re-application for a second three-year funding cycle, which ended in June 1998, and again for Fiscal Years 1998-99 and 1999-2000, with the possibility of continued funding for one additional year thereafter. The past eight years of operation have been highly successful in reducing gang violence in South County, and we are pleased that OCJP has announced the availability of continued funding for this program through June 30, 2001.

The purpose of the OCJP Gang Violence Suppression Program is to reduce the level of gang violence in communities and divert potentially dangerous gang activity into more constructive behavior. The program also strives to maintain communication between law enforcement agencies, prosecutors' offices, community-based organizations, probation departments, schools, the community and family members of gang or potential gang members.

The law enforcement and prosecution components of the program attempt to swiftly identify, prosecute and remove gang violence perpetrators from the community, while the probation component exercises intensive supervision in the community to prevent incidences of violence. This approach works to incapacitate gang members involved in violence and allows schools and community-based organizations to educate and prevent gang involvement by young people who are amenable.

The multi-component organizational structure designed by OCJP requires at least one agency representing each of five components of the Gang Violence Suppression Program: law

enforcement, probation, prosecution, prevention, and education. Additional participants in BASTA include the Watsonville Police Department, the Santa Cruz County Sheriff's Office, the District Attorney's Office, the City of Watsonville, FENIX Services, and Pajaro Valley Prevention and Student Assistance, Inc. All participating agencies collaborate through regular meetings to monitor the system-wide progress of the project, to assure coordination between components, to prevent duplication, and to address any interagency linkage problems that may arise. The target service area for BASTA is the area served by the Pajaro Valley Unified School District.

The total project budget annually is \$500,000. A 30% cash match is required for FY 2000-2001. The Probation component is staffed by one Deputy Probation Officer II and a part-time Probation Aide. The officer assigned to this project carries a limited caseload of 30 court wards who have been identified as gang members. The officer utilizes an intensive supervision case management approach, and is located at the Watsonville Police Department. Referral to other project components assures that every effort is made to modify the probationer's behavior prior to returning them to court for violation of probation.

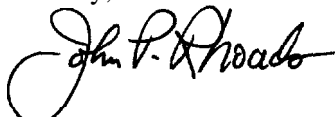

For Fiscal Year 2000-2001, the probation component grant budget is \$91,206, which includes state funds in the amount of \$63,844, and a local cash match of \$27,362, which is included in the Probation Department's budget request for FY 2000-2001. In addition to salary and benefits for one Probation Officer and a part-time (25% FTE) Probation Aide, expenditures include an overtime budget, supplies, urinalysis costs, required audit and training costs, transportation, telephone and reimbursement of administrative costs.

If approved for continued funding, each participating agency will sign individual agreements with OCJP, and will provide a separate accounting of all expenditures and revenues associated with the grant program. Therefore, the District Attorney's Office and the Sheriff's Office will be coming to the Board of Supervisors with their own requests for authorization to re-apply.

The grant proposal is due to OCJP on May 16, 2000. A complete proposal will be on file with the Clerk of the Board for review at that time. Upon receipt of the official grant award, the Probation Department will return to your Board for final approval of participation in this grant program.

IT IS THEREFORE RECOMMENDED that your Board adopt the attached resolution authorizing the Chief Probation Officer to apply to the Office of Criminal Justice Planning for continuation funding for the Gang Violence Suppression Project, known locally as the **Broad-Based, Apprehension, Suppression, Treatment and Alternatives (BASTA)** program, for Fiscal Year 2000-2001.

Sincerely,

JOHN P. RHOADS
Chief Probation Officer
