SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: HIGHLAND WAY ROAD REPAIR

Members of the Board:

On June 15, 1999, your Board authorized Public Works to enter into a contract with Granite Construction Company to remove debris and slide material and reopen Highland Way at P.M. 2.95. Granite Construction Company completed the work on August 27, 1999.

Due to the large project site and the late completion date, erosion control efforts made by our crews were ineffective. To avoid additional erosion damage next year, we are proposing to have a detailed erosion control plan prepared and implemented prior to the rains of next winter.

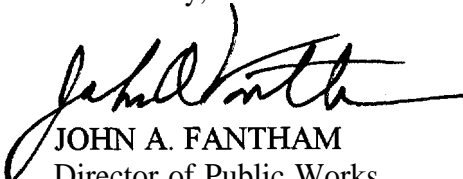

Bowman and Williams Consulting Engineers has submitted a proposal to prepare a topographic survey and plans and specifications for an erosion control plan for the Highland Way site. Upon completion of this erosion control plan, we will publicly bid an erosion control project. Sufficient funds are available to cover this contract.

It is therefore recommended that the Board of Supervisors take the following action:

1. Authorize the Director of Public Works to enter into an agreement with Bowman and Williams Consulting Civil Engineers in the not-to-exceed amount of \$38,100.

2. Authorize the Director of Public Works to sign the agreement on behalf of the County.

Yours truly,

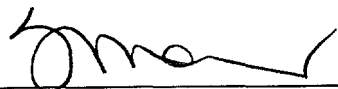

JOHN A. FANTHAM
Director of Public Works

CONTRACTOR may maintain the required post agreement coverage by renewal or purchase of prior acts or tail coverage. This provision is contingent upon post agreement coverage being both available and reasonably affordable in relation to the coverage provided during the term of this Agreement. For purposes of interpreting this requirement, a cost not exceeding 100% of the last annual policy premium during the term of this Agreement in order to purchase prior acts or tail coverage for post agreement coverage shall be deemed to be reasonable.

7. EQUAL EMPLOYMENT OPPORTUNITY. During and in relation to the performance of this Agreement, CONTRACTOR agrees as follows:

A. The CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, pregnancy, sex, sexual orientation, age (over 18), veteran status or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to the following: recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training (including apprenticeship), employment, upgrading, demotion, transfer. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this non-discrimination clause.

B. If this Agreement provides compensation in excess of \$50,000 to CONTRACTOR and if CONTRACTOR employs fifteen (15) or more employees, the following requirements shall apply:

(1) The CONTRACTOR shall, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, pregnancy, sex, sexual orientation, age (over 18), veteran status, or any other non-merit factor unrelated to job duties. In addition, the CONTRACTOR shall make a good faith effort to consider Minority/Women/Disabled Owned Business Enterprises in CONTRACTOR's solicitation of goods and services. Definitions for Minority/Women/Disabled Business Enterprises are available from the COUNTY General Services Purchasing Division.

(2) The CONTRACTOR shall furnish COUNTY **Affirmative** Action Office information and reports in the prescribed reporting format (PER 40 12) identifying the sex, race, physical or mental disability and job classification of its employees and the names, dates and methods of advertisement and direct solicitation efforts made to subcontract with Minority/Women/Disabled Business Enterprises.

(3) In the event of the CONTRACTORS non-compliance with the non-discrimination clauses of this Agreement or with any of the said rules, regulations, or orders said CONTRACTOR may be declared ineligible for **further** agreements with the COUNTY.

(4) The CONTRACTOR shall cause the foregoing provisions of this Subparagraph 7B. to be inserted in all subcontracts for any work covered under this Agreement by a subcontractor compensated more than \$50,000 and employing more than fifteen (15) employees, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

8. INDEPENDENT CONTRACTOR STATUS. CONTRACTOR and COUNTY have reviewed and considered the principal test and secondary factors below and agree that CONTRACTOR is an independent contractor and not an employee of COUNTY. CONTRACTOR is responsible for all insurance (workers compensation, unemployment, etc.) and all payroll related taxes. CONTRACTOR is not entitled to any employee benefits. COUNTY agrees that CONTRACTOR shall have the right to control the manner and means of accomplishing the result contracted for herein.

PRINCIPAL TEST: The CONTRACTOR rather than COUNTY has the right to control the manner and means of accomplishing the result contracted for.

SECONDARY FACTORS: (a) The extent of control which, by agreement, COUNTY may exercise over the details of the work is slight rather than substantial; (b) CONTRACTOR is engaged in a distinct occupation or business; (c) In the locality, the work to be done by CONTRACTOR is usually done by a specialist without supervision, rather than under the direction of an employer; (d) the skill required in the particular occupation is substantial rather than slight; (e) The CONTRACTOR rather than the COUNTY supplies the instrumentalities, tools and work place; (f) The length of time for which CONTRACTOR is engaged is of limited duration rather than indefinite; (g) The method of payment of

CONTRACTOR is by the job rather than by the time; (h) The work is part of a special or permissive activity, program, or project, rather than part of the regular business of COUNTY; (i) CONTRACTOR and COUNTY believe they are creating an independent contractor relationship rather than an employer-employee relationship; and (j) The COUNTY conducts public business.

It is recognized that it is not necessary that all secondary factors support creation of an independent contractor relationship, but rather that overall there are significant secondary factors which indicate that CONTRACTOR is an independent contractor.

By their signatures to this Agreement, each of the undersigned certifies that it is his or her considered judgment that the CONTRACTOR engaged under this Agreement is in fact an independent contractor.

9. CONTRACTOR represents that its operations are in compliance with applicable County planning, environmental and other laws or regulations.

10. CONTRACTOR is responsible to pay prevailing wages and maintain records as required by Labor Code Section 1770 and following.

11. NONASSIGNMENT. CONTRACTOR shall not assign this agreement without the prior written consent of the COUNTY.

12. RETENTION AND AUDIT OF RECORDS. CONTRACTOR shall retain records pertinent to this Agreement for a period of not less than five (5) years after final payment under this Agreement or until a final audit report is accepted by COUNTY, whichever occurs first. CONTRACTOR hereby agrees to be subject to the examination and audit by the Santa Cruz County Auditor-Controller, the Auditor General of the State of California, or the designee of either for a period of five (5) years after final payment under this Agreement.

13. PRESENTATION OF CLAIMS. Presentation and processing of any or all claims arising out of or related to this Agreement shall be made in accordance with the provisions contained in Chapter 1.05 of the Santa Cruz County Code, which by this reference is incorporated herein.

14. ATTACHMENTS. This Agreement includes the following attachments:

Re: **Topographic Survey and Erosion Control Plan Preparation for the Highland Way Landslide Site**
Our File No. 21767

Dear John,

Bowman & Williams is pleased to provide you with this proposal for providing professional **engineering** services for a topographic survey and erosion control plan for the Highland Way Landslide site. Bowman & Williams proposes to team with Salix Applied Earthcare for the project. As discussed, we will not be using the services of a geotechnical engineer.

This proposal is based on our understanding of the project from our various site visits and meetings at your office our specific scope of work would be:

1. Preliminary Reconnaissance and Provide Topographic Mapping.

This item includes preliminary site reconnaissance. We would propose to conduct a topographic survey of the lower site. We would tie in to existing county horizontal and vertical control.

Fee \$10,470

2. Prepare a Grading, Drainage and Erosion Control Plan

Working with the firm Salix Applied Earthcare we would prepare an erosion control plan for area below Highland Way.

Fee \$14,970

3. Provide Construction Support Services.

We would provide construction support services in the form of onsite supervision and training in application of the erosion control methods shown on the plans.

Fee \$12,660

Total Estimated Fee \$38,100

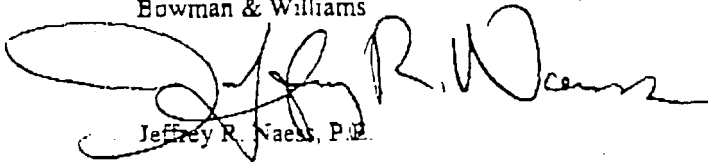

As discussed during our meeting, our plan will be to provide shallow surface stabilization through accepted erosion control practices for the existing and newly disturbed slopes. We will also be grading existing slopes in an attempt to lessen their slope thereby adding to their overall surface stability and the ability to stabilize their surface through erosion control methods.

It is our understanding that the project area is actually part of a larger active landslide, we will not be addressing the overall site stability as part of this project. We also exclude easements or right of way work and descriptions from this proposal.

We have included OUT project estimating sheet with a more detailed breakdown of the hours involved to complete the above described task. This estimate is based on our experience from similar jobs completed by this office. If we find that due to unforeseen circumstances, we might exceed this estimate, we will notify you as to the status of the work and obtain your approval prior to proceeding. We also reserve the right to revise this estimate, if needed, once a landscape plan is created and a more defined scope of work is reached.

We appreciate this opportunity to participate in this project and hope you find this proposal satisfactory.

Sincerely,
Bowman & Williams

Jeffrey R. Naess, P.E.
