SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: OFFICE REMODEL FOR THE SANTA CRUZ COUNTY
DEPARTMENT OF PUBLIC WORKS

Members of the Board:

The plans, specifications, and engineer's estimate for the subject project are presented here for your consideration and approval. This project, approved by your Board during the 1999/00 budget hearings, will create office space in conformance with the County's space standards, for several program managers who currently share space with their staff or other managers.

The engineer's estimate for this project is \$53,769, not including contingencies and administration. Sufficient funds are available in Public Works' 1999/00 budget to cover this expenditure. The plans have been reviewed and approved by the Planning Department and the Fire Marshal for compliance with Americans with Disabilities Act and fire requirements.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate and authorize calling for bids.
2. Set bid opening for 10:45 a.m. on June 20, 2000.
