Board of Supervisors County of Santa Cruz 701 Ocean Street Santa Cruz, California 95060

Utilization Of 3rd Year State Supplemental Law Enforcement Services Funds In The Sheriff-Coroner FY 98/99 & 99/00 Budgets.

Dear Members of the Board:

On September 15, 1998 your Board took a number of necessary actions to accept and implement the third year funding of five front-line deputy sheriffs from State Supplemental Law Enforcement Services Funds. This third year funding commenced on October 1, 1998 and, with your Board's approval, funded salary and benefits costs of these deputies through September 30, 1999.

Since its inception in the fall of 1996, State Law Enforcement Services Funds have been used in the Sheriff Coroner budget to finance these five deputy sheriff positions. This assistance has been instrumental in expanding our front-line law enforcement operations in our community.

As with previous SLESF awards, the FY 98/99 SLESF funds were received and deposited into an interest bearing SLESF Trust fund as required by State regulations and as authorized by your Board. The Sheriff Coroner portion of these funds totaled \$308,527. Over the subsequent twelve month funding period, this third year SLESF award, along with the associated interest earned on the funds while in trust, was fully expended on the salaries and benefits of the five SLESF deputies. Final expenditures totaled \$318,312 over this period.

One final action is now necessary to complete our fiscal responsibilities related to the expenditure of this Sheriff Coroner FY 98/99 SLESF award. Consistent with State regulations, which require that we account for the interest earned and expended from the award, we need to accept the unbudgeted interest earned

through September 30, 1999 into the Sheriff Coroner FY 99/00 budget. The Auditor Controller's Office concurs that this fiscal action is appropriate and necessary in order to comply with State and County guidelines for the proper accounting of this interest.

Therefore it is Recommended that your Board adopt the attached resolution accepting and appropriating unanticipated revenue into the Sheriff Coroner budget in the amount of \$9,784.88 from interst earned from the Sheriff Coroner portion of the 1998/99 SLESF award.

Very truly yours,

Mark Tracy

Sheriff Coroner

RECOMMENDED:.
