Re: COUNTY SERVICE AREA 54, MT. CHARLIE WATER SYSTEM

Dear Members of the Board:

At the request of Supervisor Almquist, your Board deferred consideration of the operation of the CSA 54 water system (former Mt. Charlie water system) to May 23, 2000, for the purpose of pursuing a proposal to transfer the system to the water users, in the form of a non profit corporation. The item was deferred to June 6, 2000. The water user's group is still reviewing their authority to own and operate the water system. This item must again be deferred to your Board's June 20, 2000 agenda. If a transfer is not feasible, then County staff will return with alternatives for the operation of the system.

IT IS THEREFORE RECOMMENDED that your Board defer consideration of the operation of the CSA 54 water system to June 20, 2000.

Very truly yours,

DWIGHT L. HERR, COUNTY COUNSEL
