Dear Members of the Board:

The Human Resources Agency's Adult Family & Children's Division provides services to children and families in our community who are affected by domestic violence. As the Human Resource Agency's representative to the Commission, I could provide up to date information regarding the Agency's current practice and future policy development while helping to shape recommendations for improved interagency collaboration, community education, prevention and intervention strategies in addressing the complex issue of domestic violence.

I have a strong commitment to improving the quality of service delivery to the children and families in our community, and feel I could make a positive contribution to the Commission's efforts.

Sincerely,

Francine Saucedo
Division Director
