DEFER RECOMMENDATIONS FOR CHILD WELFARE SERVICES CONTRACT AWARDS

Dear Members of the Board:

On April 11, 2000 your Board directed the Human Resources Agency (HRA) to issue Requests for Proposals for the Child Abuse Prevention, Intervention and Treatment Program and the Title IV-E Child Welfare Services Program and report back on today's agenda with recommendations for contract awards. At this time, HRA is negotiating the proposed contracts with the community service provider that was recommended by the Proposal Review Committee. As more time is needed to complete the contract negotiations, HRA proposes to defer the report on recommendations for the awards of contracts to June 27, 2000.

IT IS THEREFORE RECOMMENDED that your Board defer the report on recommendations for the awards of Child Welfare Services contracts to June 27, 2000.

Very truly yours,

CECILIA ESPINOLA
Administrator
