SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
701 Ocean Street  
Santa Cruz, California 95060

APPROVED AND FILED  
BOARD OF SUPERVISORS  
DATE: 5/23/00  
COUNTY OF SANTA CRUZ  
SUSAN A. MAURIELLO  
EX-OFFICIO CLERK OF THE BOARD  
BY Sharon Mitchell DEPUTY

SUBJECT: IRWIN WAY, P.M. 0.49 - DSR NO. 5 1476, STORM DAMAGE REPAIR

Members of the Board:

The plans, specifications, and engineer's estimate for the subject storm damage repair project are now complete and presented herewith for your consideration and approval. The work provides for the repair of the 1996 storm site with the construction of rock slope protection and compacted earth embankment together with the necessary guard rail and drainage facilities.-

The project, as presented, addresses those repairs included in the approved Damage Survey Report (DSR), so as to return the damage site to its original pre-disaster condition. The plans and specifications thus provide for a repair which essentially matches the existing roadway in the vicinity of the repair site, pursuant to the Federal Emergency Management Agency's (FEMA) approved scope of work. In those instances where the funding approved for a DSR repair falls short of the actual bid price, we will submit a supplemental funding request to FEMA to reimburse the full cost of the repairs.

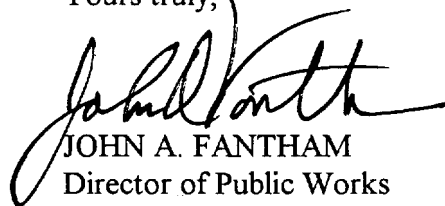

The engineer's estimate for this work is \$115,000.00, including contingencies and overhead costs. Sufficient funding for this project is available in the approved 1999/2000 Road Program by temporarily transferring \$50,000.00 from the Alta Via Road DSR project until such time as reimbursement is secured from FEMA.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate and authorize calling for bids for the Irwin Way, P.M. 0.49 Storm Damage Repair Project.

- 2. Set the bid opening for 10:45 A.M. on June 20, 2000.
- 3. Direct the Clerk of the Board to advertise a Notice to Contractors for a fifteen-day period beginning May 28, 2000, in accordance with the provisions of Public Contract Code Section 20392.

Yours truly,

JOHN A. FANTHAM  
Director of Public Works
