#### SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street  
Santa Cruz, California 95060

SUBJECT: TRANSPORTATION DEVELOPMENT ACT - SURPLUS FUNDING

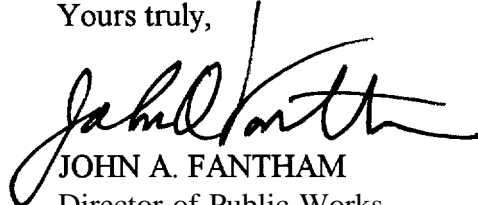

Members of the Board:

The Santa Cruz County Regional Transportation Commission is requesting grant applications for Transportation Development Act (TDA) funds for the 2000/2001 fiscal year. Approximately \$700,000 of surplus TDA revenues is available to local agencies for the construction of bicycle and pedestrian infrastructure improvements, transit facilities, roadway operational improvements, and other types of multimodal transportation improvements projects. The County traditionally has utilized its past TDA funding resources for bicycle capital improvement projects or for maintenance activities related to existing bike facilities.

The Department of Public Works proposes to submit two applications for TDA funding. The first application will request \$150,000 for the Wilder Ranch Bike Path Project which will provide for a Class I bike path parallel to Highway 1 between the north end of the city of Santa Cruz and the Wilder Ranch State Park. The second application will request \$75,000 for the Holohan Road Bike Lane Project to provide for much needed bike lanes between Green Valley Road and Highway 152. Both of these projects are considered high priority projects because of the projects' anticipated safety improvements in their respective corridors and their regional significance in relation to the 1994 County General Plan, the 1998 County Bike Plan and other local regional plans. The surplus TDA funding would supplement funding already acquired for both projects and it would allow the Public Works Department to proceed with construction of both projects in the 2000/2001 fiscal year. Location maps are attached for your Board's review.

It is therefore recommended that the Board of Supervisors adopt the attached resolution to authorize the Department of Public Works to submit applications to the Santa Cruz County Regional Transportation Commission for surplus Transportation Development Act funds for the Wilder Ranch Bike Path Project and the Holohan Road Bike Lane Project.

Yours truly,

JOHN A. FANTHAM
