Board of Supervisors  
COUNTY OF SANTA CRUZ

### SURPLUS PROPERTY REQUEST

Dear Members of the Board:

Pursuant to Section 2.37.040 of the County Code, the General Services Department is recommending that the items listed on Exhibit A be declared surplus property. These motor vehicles and equipment items have been released as either surplus to department needs, obsolete or unusable. The property listed is not re-assignable to other County departments because of age or physical condition. The vehicles are all in poor condition and have either high mileage, extensive service history, and/or prior damage.

The current practice for disposition of surplus vehicles is to utilize the services of Nationwide Auction Systems of Benecia, California. Most of the preparation for the disposition of these vehicles had been made prior to your budget discussion on this issue. Pursuant to your Board's direction, the General Services Department and the Public Works Department will be reviewing the current practices and will be reporting back to your Board in January, 2001 regarding the possibility of making old vehicles available to non-profit agencies who may have need of them.

It is therefore RECOMMENDED that your Board declare these items to be surplus to County needs and direct the Director of General Services (Purchasing Agent) to arrange for their disposition.

Very truly yours,

BOB WATSON  
Director
