REPORT ON THE HOUSING SCHOLARSHIP PROGRAM

Dear Members of the Board:

On February 1, 2000, your Board approved the Housing Scholarship Program, and directed the Human Resources Agency Administrator to return on August 1, 2000 with a report on the program, including efforts to work with other County departments and agencies to explore other affordable housing program opportunities for CalWORKs and former CalWORKs participants. In order to provide a comprehensive report on the program and other housing assistance opportunities, it will be necessary to have more detailed information on State and Federal resources that may be available to assist CalWORKs and former CalWORKs participants with housing costs. Additional information is anticipated to be available by the beginning of September. IT IS THEREFORE RECOMMENDED that your Board continue consideration of the report on the Housing Scholarship Program until September 12, 2000.

Very truly yours,

CECILIA ESPINOLA
