**NATURAL GAS FUELING COALITION APPOINTMENT**

Dear Members of the Board:

As your Board may recall, the Santa Cruz County Natural Gas Fueling Coalition was formed to facilitate the development of compressed natural gas (CNG) fueling stations within the County. The Coalition is a non-profit mutual benefit corporation and its membership is comprised of members representing the County, City of Capitola, City of Watsonville, UC Santa Cruz, Granite Construction, Odwalla and George H. Wilson Inc. The former General Services Director, Roy Holmberg, was the County's primary appointee to the Coalition with Steve Bailey of the General Services Department acting as the alternate appointee. With Mr. Holmberg's recent resignation, it is now necessary to appoint a new County representative to the Coalition.

It is RECOMMENDED that your Board appoint Bob Watson, General Services Director, as the County's primary appointee to the Natural Gas Fueling Coalition.

Very truly yours,

SUSAN A. MAURIELLO  
County Administrative Officer
