AGENDA: AUGUST 22, 2000

August 10, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: AUTHORIZATION FOR ADDITIONAL STREET LIGHTING
IN COUNTY SERVICE AREA NO. 9, ZONE "A"
GARDEN STREET, 1 ST SUPERVISORIAL DISTRICT

Members of the Board:

Public Works has received a request from residents of Garden Street for installation of eight street lights, two with shields. A poll of property owners in the immediate area indicated support for these installations. The area is within Zone "A." Copies of the property owners' petition and maps showing the location of the proposed lights are attached.

Supervisor Beautz has been contacted by Public Works and is in favor of these installations. A copy of our correspondence to this effect is attached for your information.

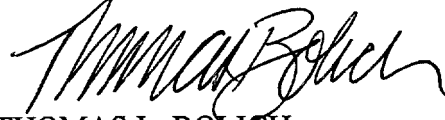

Pacific Gas and Electric Company advises that installation is feasible at these locations. The cost will be \$10.87 per month per 70-watt, high pressure sodium vapor fixture. Shields will cost approximately \$250.00 each. Funds are available for these additional costs.

It is recommended that the Board of Supervisors take the following action:

1. Authorize the installation of eight street lights, two with shields, at the locations described.

2. Direct the Clerk of the Board to submit authorization for installation to Pacific Gas and Electric Company.

Yours truly,

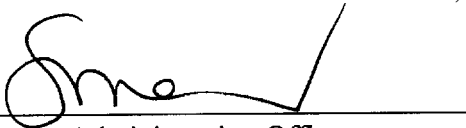

THOMAS L. BOLICH

Acting Director of Public Works
