Re: My qualifications to serve as member of the County Advisory Body

Personal Goal –

My personal goal is to help improve the quality of treatment of the mentally ill in every facet. My family has first-hand experience in the pain caused by mental illness of someone you love, and the feeling of hopelessness out of not knowing.

Experience with mental illness –

I have a son who has been ill with schizophrenia for the last three years. In order to cope with his condition and help him deal with his illness, we made it a point to get educated quickly and thoroughly about mental illness. My wife and I read books, articles, magazines, and just about every related material. We scanned the Internet for available information and currently subscribe to The Journal Watch and to Psychopharmacology Update. We have been completely involved with my son's treatment. We belong to CAMI and periodically attend the Family Support programs.

Educational background –

BSEE in Engineering.

Work Experience –

Hands-on Engineer for five years in electronics.

Manager of Engineering for fifteen years.

Manager of Manufacturing for ten years.

Insurance Agent for five years.

General Agent in charge of Central California for three years.

Retired from electronics in 1991.

Currently an Insurance Agent with time to spare.

Member of the Knights of Columbus, a fraternal organization of Catholic men dedicated to works of charity.
