August 30, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
701 Ocean Street  
Santa Cruz, California 95060

SUBJECT: TRANSFER OF SURPLUS PROPERTY

Members of the Board:

The Public Works Department is requesting that one John Deere tractor be declared surplus and transferred to the Parks, Open Space & Cultural Services Department. The 1985 John Deere 401 tractor, inventory number 11-15, is in need of extensive repairs and unusable for the needs of the Public Works Department. Once repaired, the tractor would meet the less-demanding needs of the Parks, Open Space & Cultural Services Department. The original purchase price of the tractor was \$28,000. It has been fully depreciated and is currently valued at only \$500.

It is therefore recommended that the Board of Supervisors take the following action:

1. Declare inventory item 11-15, a John Deere 401 tractor, as surplus and remove it from the Public Works Department inventory and transfer the asset to the Parks, Open Space & Cultural Services Department.
2. Approve payment of \$500 to the Public Works Department for the above mentioned surplus asset.

Yours truly,

  
THOMAS L. BOLICH  
Director of Public Works
