

THOMAS L. BOLICH
DIRECTOR OF PUBLIC WORKS

County of Santa Cruz

DEPARTMENT OF PUBLIC WORKS

701 OCEAN STREET, ROOM 410, SANTA CRUZ, CA 950604070
(631) 454-2160 FAX (831) 454-2385 TDD (831) 4542123

AGENDA: SEPTEMBER 12, 2000

August 30, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: COUNTY-WIDE STORM DAMAGE REPAIR PROJECTS FOR:
HAZEL DEL ROAD, POST MILE 2.08 TO 2.77
GRANITE CREEK ROAD, POST MILE 0.45 AND 1.50
NORTH RODEO GULCH ROAD, POST MILE 0.17 TO 4.80
SWANTON ROAD, POST MILE 4.75 TO 5.20
(96-07, 1155 AND 1203 DISASTERS)
BID AWARD

Members of the Board:

On August 8, 2000, Public Works requested the Board's authorization to advertise the subject projects and in order to expedite the process, requested authorization to open bids for these four storm damage repair projects on August 29, 2000, and September 5, 2000, in the office of the Director of Public Works. Bids for the Hazel Del Road and North Rodeo Gulch Road storm repair work were opened on August 29, 2000, and bids for Granite Creek and Swanton Roads were opened on September 5, 2000. All bids were checked and found to be in order. The number of bidders per project, the name of the contractor who submitted the low bid for each of the four projects and their bid amount, along with the engineer's estimate are as follows:

1. Hazel Del Road: The engineer's estimate was \$211,319.00. Of the five bids received, Cimarron Construction of Oakdale was found to be the low bidder in the amount of \$200,920.00.
2. North Rodeo Gulch Road: The engineer's estimate was \$232,725.00. Of the six bids received, J. Randolph, Inc., of Aptos was found to be the low bidder in the amount of \$217,460.00.

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

Page -2-

3. Granite Creek Road: The engineer's estimate was \$156,941 .00. Of the six bids received, Reber Construction of Santa Cruz was found to be the low bidder in the amount of \$165,413.76.
4. **Swanton** Road: The engineer's estimate was \$285,494.00. Of the five bids received, Reber Construction of Santa Cruz was found to be the low bidder in the amount of \$298,361.13.

Funding for each of these four subject projects, including administration and contingencies, is available in the approved 2000/2001 Road Program. The work on storm damage locations along Hazel Del and North Rodeo Gulch Roads is fully funded by the approved Road Program, while the work planned on both Granite Creek Road and **Swanton** Road can be funded by transferring Public Works' appropriations from other approved 2000/2001 projects or programs. Work on Granite Creek Road may be funded by transferring \$14,500 from the North Rodeo Gulch Road project made available by the low bid submitted by J. Randolph Construction, Inc. The repair of **Swanton** Road may proceed by the transfer of \$10,000 from the local share of the Scaroni Road El Niño Storm Damage Repair project (\$6,000), thus deferring this project until fiscal year 2001/2002, and the use of \$4,000 allocated for the County Wide Culvert Replacement Program. As usual, Public Works will request supplemental reimbursement of all eligible costs to repair the storm damage locations along the four County roads being awarded today from the Federal Emergency Management Agency.

It is therefore recommended that the Board of Supervisors take the following action:

1. Accept the low bid of Cimarron Construction for storm damage repair work on Hazel Del Road in the amount \$209,920.00; of Reber Construction for work on Granite Creek Road in the amount of \$165,413.76; of J. Randolph, Inc., for work on North Rodeo Gulch Road in the amount of \$217,460.00; and of Reber Construction for work on **Swanton** Road in the amount of \$298,361.13.
2. Authorize the transfer of revenues to the Granite Creek Project at MP 0.45 and 1.50 from reserves made available by the low bid submitted for work on North Rodeo Gulch Road and on the **Swanton** Road Storm Damage Repair by deferring work on Scaroni Road DSR #5 1598 until 2001/2002 and the use of \$4,000 revenues transferred from the County's Culvert Replacement Program.

3. Authorize award of these four contracts.
4. Authorize the Director of Public Works to sign the contracts.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
